BLESSINGS FROM CHANCELLOR

S. Charanjit Singh Channi Chancellor, CT University

MY VISION IS TO ACHIEVE EXCELLENCE, ACTIVE ENGAGEMENT, ACCESSIBILITY, AND INTERNATIONAL RECOGNITION FOR OUR LEADERSHIP. THERE ARE TIMES WHEN IT IS CHALLENGING TO STAY CHEERFUL AND POSITIVE – LIFE CAN BE TOUGH. HOWEVER, I BELIEVE IN LOOKING AT THE GLASS AS HALF FULL INSTEAD OF HALF EMPTY.

What we leave behind us is not always perfect; more often than not, it is messy, unattractive, and painful. But that is precisely why we choose to leave it in the past and move on to more promising, hope-filled chapters of our lives. Our lives are continuous journeys filled with hope and strength, driven by good intentions and the desire to make our entire story a more beautiful and fulfilling experience. My vision is centered on achieving excellence, engagement, accessibility, and international recognition.

It's my pleasure and honor that CT University is organizing a CTU MUN to make and mark a change. I hope CTU MUN will help in strengthening the feeling of activism amongst the students and bring greater clarity about different situations that the world is facing right now. And through this conference, we can mold the world into a better shape.

I know how our organizing team (CTU MUN) works ceaselessly towards shaping epitomes of peace, dignity and humanity; the demand of the current socio-political scenario. I wish them and our delegates a memorable experience through this one day conference. May we reach greater heights and may we continue to make and mark a change.

All the very best CTU MUN!

We are eagerly anticipating the successful realization of this highly anticipated conference. I extend my best wishes to all delegates, and I am confident that we will all thoroughly enjoy and derive extraordinary learnings from the CTU MUN experience. BLESSINGS FROM VICE-CHAIRMAN

Mr. Harpreet Singh

Challenges that define our world are ever-present, demanding resilience and determination in the face of adversity. We eschew merely discussing problems in favor of action-driven solutions. So, we created CTU MUN, a platform where young minds, the architects of tomorrow, converge to brainstorm solutions to the pressing issues of our society. CTU MUN stands as an embodiment of our belief that the youth have the power to shape the world they wish to inhabit. Here, they not only articulate their visions for a better future but also cultivate a culture of respect for diverse perspectives. I not only endorse but also wholeheartedly believe in the transformative potential. It is poised to catalyze and contribute to the creation of a more equitable society. Best wishes for the success of CTU MUN!

BLESSINGS FROM VICE CHANCELLOR

Prof. (Dr.) Abhishek Tripathi

It's not about what you say but rather how you say it, nothing is more grounded than delicate words but hard contentions. If you have the potential to leave an indelible mark on your audience just by your words then you can gladly expect that you have won it as well. I'm very glad to discover that a Model United Nations will be conducted by the Department of IQAC, CT University. I compliment every coordinator for giving participants this extraordinary chance to present themselves and I trust in the fabulous achievement of the competition. All the very best to everybody.
