ABOUT FACULTY OF LAW, SGT UNIVERSITY

The Faculty of Law at SGT University, a NAAC A+ accredited private university holding numerous accolades, has a vision to provide quality legal education in this new age of digital transformation. It was established in the year 2014 and has statutory recognition from The Bar Council of India and the Government of Haryana. It is situated in a fully-developed institutional area with modern infrastructure and a world-class academic environment in lush green, well-equipped 70 acres of campus.

It uses new-age learning technologies for competency-based, adaptive, and collaborative education. It aims to focus on digital learning through a balanced combination of technology, digital content, live instruction, and experiential learning. The Faculty of Law is relentlessly working towards bridging the gap between industry and academia. In line with the guidelines released by the University Grants Commission, we train our students under top legal practitioners as Professors of Practice and teach them practical skills through their vast industry experience, preparing them for the international legal market.

The Faculty aspires to create competent lawyers, judges, academicians, legal consultants, and civil servants dedicated to advancing human dignity, promoting social welfare, and providing justice to aggrieved people, both at the national and international levels.

ABOUT THE FACULTY DEVELOPMENT PROGRAMME

The Faculty Development Programme (FDP) on the theme 'Exploring Inter-disciplinary Research Skills, Pedagogy & Emerging Legal Trends' aims to equip legal minds with the necessary tools, knowledge, recent developments, collaborative skills, and landscape of contemporary legal challenges.

This Faculty Development Programme seeks to encourage educators to integrate diverse perspectives from various disciplines into legal education. This holistic approach will enable the participants to develop comprehensive teaching methodologies and acquaint them with the current research frameworks. The key outcomes from the Faculty Development Program for participants are:

- To be equipped with the knowledge and tools to incorporate interdisciplinary approaches into their teaching and research, etc.
- To enhance the capacity to address emerging legal issues and trends within academic curricula, research projects, etc.
- To develop a collaborative network among faculty members and experts from diverse fields, promoting ongoing interdisciplinary research initiatives.
