ABOUT DREAM LAW

DreamLaw, an initiative by Deadly Law group, is an Ed-Tech Platform with the vision to simplify law and legal studies in a way, that even a layman can understand it. At DreamLaw our aim is to create a passage for everyone so as to have an access to quality legal education in India. The motive behind launching DreamLaw was to create resources for practical legal education since textbook learning, a common mode of teaching in law schools, have far been removed from the realities and needs of the legal industry.

ABOUT MASTERCLASS

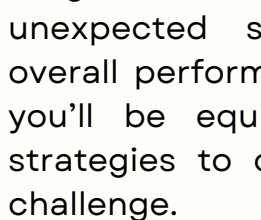

This Comprehensive Moot Court Training Master Class is meticulously designed to equip aspiring legal professionals with the essential skills and strategies needed to excel in moot court competitions. Whether you're a law student aiming to improve your courtroom presence or a young lawyer looking to refine your advocacy techniques, this masterclass promises to provide invaluable guidance and practical knowledge.

ABOUT DAY 1

On the first day, dive deep into the art of oral advocacy. Learn how to present your arguments with confidence and clarity, effectively engage with judges, and handle challenging questions with poise. Our expert instructors will share proven techniques for structuring your arguments, utilizing persuasive language, and maintaining a professional demeanour. This session aims to transform you into a compelling and articulate advocate.

ABOUT DAY 2

The second day will focus on navigating the common pitfalls encountered during moot courts. Discover the most frequent mistakes made by participants and learn strategic approaches to avoid them. Our seasoned speakers will provide insights into managing time constraints, handling unexpected scenarios, and optimizing your overall performance. By the end of this session, you'll be equipped with best practices and strategies to confidently face any moot court challenge.
