## VICE CHANCELLOR'S MESSAGE

**PROF. (DR.) P.B. SHARMA**

Vice Chancellor  
Amity University Haryana

India, being a country that upholds the values of righteousness and fairness, has always strived to uphold the concept of "Justice for all". The profession of Law is no exception, where the paramount consideration is to serve the public and stand as defenders of truth. To practice this profession with utmost sincerity and commitment, proper legal education is essential, which would prepare Law students to become experts in their field. Legal education requires not just a comprehensive knowledge of the laws and systems of jurisprudence but also skills of organizing the facts, articulating grounds and also arguing for and against the issues involved. This requires, besides knowledge and communication skills, a firm commitment and resolve to use the legal profession as a "Privilege to Serve and a Privilege to Excel".

Moot Court Competitions organised by Law Schools at National and International levels, play a vital role in helping students to improve their research abilities and are aimed towards professional development of Law students that emerge out of such intellectual exercises.

I compliment Prof. (Dr.) Som Dutt Bhardwaj, Director Amity Law School and his entire team for hosting the 7<sup>th</sup> ALS Moot Court Competition, 2025.

Let this national-level moot court competition inspire all the participating team members from India and abroad to deepen their interest in the study of law and sharpen their intellect to develop the vital skills.

I extend my very best wishes for the successful organization of this Event.

## CONVENERS' MESSAGES

Mooting is the closest a law student can get to being a lawyer. ALS is looking forward to nurturing the interest of students in mooting and to endow future lawyers with good research, strategizing and argumentative skills. I wish all the participants good luck for the competition and a wonderful opportunity to learn and grow.

**-Dr. Pranshul Pathak  
(Faculty Convener)**

“Don’t raise your voice. Improve your argument.”

The first and foremost discipline a law student must adopt in life is something I strive to follow as well. We are fortunate that the institution organizes enriching competitions like Moot Court from time to time, which add valuable and memorable experiences beyond the classroom. I hope the teams have a great learning experience.

**-Dr. Neha Mishra  
(Faculty Convener)**

As legal education evolves, moot court remains the arena where doctrine, ethics, and advocacy converge. By challenging students to research rigorously, argue with principle, and respond with composure, mooting transforms abstract rules into practical reasoning and sharpens professional identity. Through sustained mentorship, realistic courtroom protocols, and constructive feedback, we at ALS nurture precision, confidence, and teamwork. This competition reflects our commitment to academic excellence and to preparing graduates who argue responsibly, write persuasively, and uphold the rule of law.

**-Dr. Vidushi Puri  
(Faculty Co-Convener)**

**7<sup>th</sup> ALS MOOT COURT COMPETITION, 2025**  
**7<sup>th</sup>-9<sup>th</sup> November 2025**

The 7th Amity Law School Moot Court Competition 2025 reflects the academic rigor and professional ethos that Amity University strives to instil in its students. Mooting is a scholarly exercise that bridges legal theory with courtroom practice, fostering discipline, research excellence, and refined advocacy. Competitions of this stature cultivate the next generation of jurists. I extend my warm wishes to the participants and commend the organizers for their pursuit of excellence.

**(Organising Secretary)**

It is my privilege and honour to welcome you to this Moot Court Competition, a platform where dedication meets opportunity and passion meets preparation. Along the way, the trail of highlighted judgments, empty coffee mugs, and the persistent echo of “May it please the court...” heard for the 27th time this week, reminds us of our shared commitment. As we embark on this year’s chapter, I wish all participants an engaging experience filled with growth, connection, and memories worth treasuring.

**-Ms. Divyanshi Jain**  
**(Student Convener)**

A moot is not just a competition, it is a rehearsal for the courtroom of life, where words turn into weapons, logic into strategy, and confidence into conviction. It is a journey that challenges you to think deeper, speak with clarity, and stand firm with courage. Each argument crafted, each submission made, and each rebuttal delivered is not merely a step in the competition, but a step toward becoming an advocate of change. May this experience awaken your spirit of advocacy, strengthen your belief in justice, and remind you that true success lies not only in winning a case but in finding your voice. Here, every participant is a learner, every argument a lesson, and every moment an opportunity to grow.
