About Graphic Era Hill University

Graphic Era Hill University, Dehradun, stands as a distinguished institution of higher learning committed to academic excellence, innovation, and ethical leadership.

Located in the serene and intellectually vibrant environment of Dehradun, the University fosters a dynamic academic ecosystem that integrates theory with practice, research with reflection, and knowledge with social responsibility.

With a wide spectrum of undergraduate, postgraduate, and doctoral programmes across disciplines, the University emphasizes interdisciplinary engagement, analytical reasoning, and innovation-driven learning. Through seminars, national conferences, academic competitions, and research initiatives, GEHU consistently cultivates a culture of inquiry, dialogue, and intellectual leadership.

About The School of Law

The School of Law at Graphic Era Hill University is dedicated to cultivating legally proficient, ethically grounded, and socially responsive scholars.

Legal education demands more than doctrinal knowledge; it requires clarity of expression, persuasive reasoning, analytical precision, and constitutional awareness. The School therefore actively promotes platforms that strengthen articulation, argumentation, and academic writing.

Through youth parliaments, academic symposia, workshops, moot courts, and intellectual competitions, the School continuously encourages students to engage critically with legal principles and public discourse.

Intellectus 2026 embodies this pedagogical vision by providing a structured and inclusive forum where intellect meets responsibility.

The Idea Of

INTELLECTUS

Civilizations endure not merely through authority or institutions, but through ideas. Democracies flourish not through silence, but through informed, reasoned, and responsible discourse.

In contemporary times—marked by accelerated information flows, polarized narratives, and diminishing spaces for reflective dialogue—the need for structured intellectual engagement has become urgent. The ability to articulate ideas with clarity, defend positions with reason, and critique perspectives with intellectual honesty is no longer optional; it is foundational to democratic participation.

Intellectus 2026 – Minds in Motion is conceived as a national platform dedicated to the celebration of disciplined thought and articulate expression. The term Intellectus signifies the faculty of understanding – the human capacity to reflect, reason, interpret, and respond with depth and discernment. This conclave is not merely an academic competition; it is an intellectual movement that seeks to nurture confident speakers, analytical thinkers, and responsible citizens prepared to engage meaningfully with constitutional values and contemporary challenges.

The School of Law, Graphic Era Hill University, is organizing Intellectus 2026 as a National-Level Hybrid Academic Conclave, bringing together school and university students from across India.

The conclave integrates three core dimensions of academic development:

- **Rhetoric and Persuasion**
Oratory Competition
- **Knowledge and Awareness**
Quiz
- **Reflection and Structured Analysis**
On-the-Spot Essay Writing

Participants are encouraged not only to demonstrate knowledge but to organize ideas coherently, argue responsibly, think spontaneously, and write analytically under time-bound conditions.

The hybrid model ensures national accessibility while maintaining academic rigour, decorum, and institutional seriousness.
